"Garden Project"

During the summer months, we create a bountiful garden space for the community to gather, harvest, and share their green thumbs. Our garden produced approx. 700 lbs of produce which was used in our Emergency Food Cupboard, community outreaches, and cooking programs.

"Outreach"

“Artisan on Adelaide” Pop-up Produce and Artisan Market

During June, July, August, and September, we partnered with Urban Roots and created a one-of-a-kind Artisan Pop-up Produce Market and Artisan Vendor booths. We hosted 8 vendors that sold their handcrafted items. Local tables included jams, jewelry, artwork, and much more!
